### Need to be Fingerprinted to Volunteer in a Private School?

\*\*\*

#### How Can EdAdvance Assist You?

EdAdvance will fingerprint a school volunteer and forward their fingerprint card to the proper state and federal authorities for processing a criminal history check. The volunteer's fingerprint results will be shared directly with the school reflected on their fingerprint card by the State Police Bureau of Identification "SPBI".

The fingerprinting of a volunteer falls under Federal Statute, the National Child Protection Act/Volunteers for Children's Act "NCPA/VCA Volunteer". The volunteer will need to complete for their school a NCPA/VCA Volunteer Waiver & Consent Form.
