7. **Reports/Updates**

   i. **School/Program Services – Jonathan P. Costa, Sr.**
      
      ✓ Jonathan reported that we submitted a Curriculum Revision Proposal to New Haven that was not accepted; however, a Curriculum Revision Proposal was also submitted to New Britain and that plan has been accepted. Work will shortly begin for that district.
✓ Announced that we have received 83 scholarship applications; scoring will now begin, and the winners will be announced next month.

✓ Our Department of Public Health Tobacco Grant has been renewed for $70,000.

✓ The state allocation for Minority Teacher Recruitment (MTR), which was just approved two weeks ago, is for the RESC Alliance in the amount of $265,000. EdAdvance’s portion will be $39,500.

✓ LiveBook is sponsoring a program that will provide analysis of PSAT and SAT data for districts. The data will be analyzed and given back to the district through a unique URL with no identifying student information, so student privacy is not exposed in any way. Jonathan reported that he will share this information at the Curriculum Council meeting scheduled for next week.

ii. Business and Operations – Rich Carmelich

Rich reported:

✓ The Plymouth Town Council approved the Mayor of Plymouth to enter into an agreement with EdAdvance to purchase the Main Street School for the price of $400,000; in addition, a $50,000 economic grant has been approved, which will have the impact of reducing the actual sale price by that amount.

✓ He and Jeff met with the Commissioner of the Department of Administrative Services. They were thrilled with what we were looking to do for our districts. They are very interested in providing us resources for reimbursable expenses similar to what districts receive when they initiate construction projects; they would like to use EdAdvance as an example of what regionalization and shared services can look like. Their feedback was very positive; we will be meeting again with them on May 20. They want to move us up on the School Building Priority List to this year. If that should happen, Rich explained to the Board, that it is likely that we will have resolutions to be approved by the Board at the May meeting in order to move the process along.

8. Adjournment

Upon a motion by John Kissko, duly seconded by Melissa Miller, the meeting adjourned at 8:20 PM.
