7. Reports/Updates

i. Executive Director’s Report – Jeffrey C. Kitching

- Reported things are going well in the Region 10 superintendent search. We are beginning to build a candidate pool; interviews begin in a week and hoping to hire someone by mid-July.
- If all goes well, we will be closing on the Plymouth property on Friday.
- The deficit previously reported could be cut almost in half by the end of the fiscal year.
- Developing an H. R. support proposal that will be shared with Thomaston, Region 12, and Watertown.
- Held our annual end-of-the-year Leadership Council Retreat for staff. Anne Yurasek, the guest speaker, who is an organizational development consultant and trainer, engaged staff in how to think differently, i.e. selling our services. Her presentation was well received by staff.
- Invited by Judy Palmer, Jeff attended the end of the year culmination for the Yale Center for Emotional Intelligence Ruler Training. At this event, Judy Palmer publicly thanked EdAdvance for their support to the districts in this new endeavor.
- Reported that the RESC Alliance held a mini convocation and retreat where statewide initiatives were discussed. Jeff reported that Jonathan Costa, along with Esther Bobowick facilitated one of the sessions.

ii. School/Program Services – Jonathan P. Costa, Sr.

- Reported that Skills21 held their annual Expo Fest at the Toyota Oakdale Theatre in Wallingford with the largest group of participants ever, with over 1,000 non-students in attendance as well. Also in attendance was Fran Rabinowitz, Executive Director of CAPSS. Fran reported that she was impressed with the Expo and that she is going to try and promote interest in Skills21 over the next year.
- Held the kick-off meeting with New Britain administration and curriculum team to begin our three-year curriculum renewal project. The approach and process were very well received.
- National speaker, Dr. Robert Lynn Canady, Canady Consulting, Inc. facilitated a workshop on school scheduling for middle school/high schools for staff from Torrington, Litchfield and Plymouth here at our Litchfield facility. This work came as a direct result of district requests for this support.
- We are looking to offer two new curriculum resources to support social and emotional learning for next year. One is a Rutgers University non-credit credential and the other is a content-specific materials set which would be part of a Newsela Pro membership.
- There is a new requirement for Minority Teacher Recruitment (MTR) planning for local districts that looks like it will be in place for next school year. We are exploring options to create a regional MTR plan that would satisfy this requirement on behalf of all our districts.
