General Information

School Hours
School hours are from 8:30 a.m. to 2:30 p.m. Students are expected to remain in transportation vehicles until staff open school doors and students are escorted into the building. Students arriving after 8:35 a.m. must be signed in by a parent in the main office, and parents who wish to pick up their child early must sign the student out in the main office.

Office/Staff Hours
Staff is available from 8:00 a.m. to 3:00 p.m. and may be reached by calling (860) 516-7005. Voicemail is available after hours and prior to school opening.

Visitor Sign In Process
All visitors are to report to the main entrance and ring the bell for the secretary. The secretary will then ask for name and reason for visit. Once confirmed, visitors will be ‘buzzed in” and are to report to the reception area. Visitors will be required to show photo identification, sign in, and display a visitor badge in order to proceed with visit.

School Calendar
Attached to this handbook is the program’s current school year calendar. Parents/Guardians are asked to maintain this calendar throughout the school year, so they are aware of upcoming early dismissals, holidays and vacations.

Planned Early Dismissals
The calendar contains early dismissal days during most months for teacher professional development or student conferences. Early dismissal time is 1:30 pm. Lunch will be provided on early dismissal days.

Parent-Teacher Conferences
Parent-Teacher Conferences are held in October and March. These conferences provide an opportunity to meet with the staff and discuss your child’s overall progress. Should there be any concerns about your child’s progress; an in-depth conference/PPT meeting can be scheduled at any point throughout the academic year.

School Ceremonies and Observances
The school recognizes the value of certain ceremonies and observances in promoting patriotism and good citizenship among the students. Therefore, activities in school commemorating national holidays such as Memorial Day, Thanksgiving and President’s Day are encouraged. Regarding the variety of religious beliefs, all are urged to be conscious of and respect the sensitivities of others. Activities related to a religious holiday or theme will be planned to ensure that the activity is not devotional and that students of all faiths can join in without feeling that they are betraying their own beliefs. Embracing and practicing activities that emphasize multiculturalism is encouraged throughout the school year.
Inclement Weather
In the event of an emergency closing due to weather or other unforeseen events, parents will be notified by phone using numbers provided on the emergency contact sheet or via text using the REMIND App. In the event of inclement weather, the school will follow Plymouth Public Schools cancellation/delays. Should schools in your home district/town close due to weather, then the student will not be transported to school that day, and the absence will be excused.

Immunizations
Connecticut law mandates that all students be protected by adequate immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hemophilus influenzae type B, hepatitis B, varicella and any other vaccine required by the schedule for active immunization adopted pursuant to state law. Students who have not been immunized will not be admitted to school except in cases where the parent/guardian has provided a certificate from a physician stating that such immunization is medically contradicted, or the parent/guardian presents a statement that such immunization would be contrary to the religious beliefs of the child. Homeless children are entitled to immediate enrollment even if the documentation of immunization is not immediately available.

Medications
Connecticut state law requires a written order by an authorized prescriber and the written authorization of the student’s parent or guardian for school personnel to administer any medicinal preparation including over-the-counter, prescription and controlled drugs. This includes inhalers, epi-pens, and medications such as Tylenol or ibuprofen. Students are not allowed to carry or have medication in their possession unless the student self-administers the medication in accordance with a medication administration plan developed by school personnel in conjunction with the student’s parents and prescriber. All medications, except those approved for self-administration, shall be delivered by the parent or other responsible adult to the school nurse or other qualified personnel trained in medication administration. All medications will be administered by the school nurse, or in the absence of such nurse, other qualified personnel.

Attendance
Connecticut state law requires parents and persons having control of children between the ages of 5 and 18 must ensure that such children attend school regularly unless the parent or person having control of such child is able to show that the child is elsewhere receiving equivalent instruction in the studies taught in the public schools.

All students are expected to attend school daily; it is essential to success! In the event of an absence, the parent/guardian should notify the school by 9:00 a.m. School personnel will call home if no message has been received by this time.

Excused Absence from School
For the first nine absences in a school year, an absence will be excused when a parent provides a written note within 10 school days approving the absence. For the tenth and further absences to be considered excused, the absence must be due to an acceptable reason. Acceptable reasons include:
• student illness (verified by a licensed medical professional)
• observance of a religious holiday
• death in the family or other emergency beyond the control of the student’s family
• mandated court appearances (additional documentation required)
• lack of transportation usually provided by the school district; or extraordinary educational opportunities (pre-approved by the principal)
• visit with parent/guardian who is an active duty member of the Armed Forces (as required by state law, some restrictions apply)

Unexcused Absence from School
Any absence that does not meet the criteria for an excused absence or a disciplinary absence (out-of-school suspension or expulsion).

Truancy
Truancy is defined as 4 unexcused absences from school in any one month or 10 unexcused absences from school in any school year. When a student is identified as a truant, Partnership Learning Academy, in conjunction with the home school district, will hold a meeting with the Parent/Guardian to review the student’s attendance and next steps.

All students at Partnership Learning Academy benefit from both group and individual levels of social/emotional/behavioral (S/E/B) support. The leveled support systems are sequential and progressively less restrictive in nature with an aim toward measuring how effectively students are progressing towards mastery of IEP goals. Primary aspects of student support include:

- **Positive Behavioral Classroom Interventions & Daily Progress Assessment:** The purposes of the class-wide interventions and response to intervention are making positive choices, develop problem solving skills, and provide students with consistent feedback based on predetermined school expectations.

- **Individual and/or small group counseling and social skill instruction** to promote desirable school behavior and readiness for learning, with intent to promote generalization into the home setting.

- **All students will receive both individualized and flexible counseling by a comprehensive therapeutic treatment team.** Students are offered the opportunity to participate in additional groups throughout the school year to address their individualized social-emotional needs. All staff are certified in Therapeutic Crisis Intervention (TCI) to provide for the safety and welfare of our students and staff.

**Student Data**

All staff maintain standardized student behavioral data on each enrolled student during every period or session each day. Students are assessed across a wide range of categories including Responsibility, Respect/Safety, Work Completion, and Personal Goals. Student behavioral data is compiled, shared, and interpreted by staff in a team setting to gauge student readiness regularly.

**Use of Seclusion and/or Restraints**

In the event that a student demonstrates behaviors causing imminent risk of danger to oneself or others, verbal de-escalation will be used to try and halt the escalation of risk behaviors. However, should the verbal de-escalation techniques not work, and the student continues to display unsafe behaviors, school administration and/or clinical staff may authorize the use of seclusion and/or restraint in order to prevent injury to the student or others.

**Restraint**

“Physical Restraint” means any mechanical or personal restriction that immobilizes or reduces the free movement of a person's arms, legs or head, including, but not limited to, carrying or forcibly moving a person from one location to another. No school employee shall use a physical restraint on a student except as an emergency intervention to prevent immediate or imminent injury to the student or to others, provided the restraint is not used for discipline or convenience and is not used as a substitute for a less restrictive alternative. *(Link)*
**Seclusion**

“Seclusion” means the involuntary confinement of a person in a room, from which the student is physically prevented from leaving. No school employee shall place a student in seclusion except as an emergency intervention to prevent immediate or imminent injury to the student or to others, provided the seclusion is not used for discipline or convenience and is not used as a substitute for a less restrictive alternative. ([Link](#))

Any use of restraint or seclusion is documented and maintained in our records, as required by the Connecticut State Department of Education.
